

LETTER OF RECOMMENDATION

Date: 15th December 2025

To Whom It May Concern,

I am pleased to write this Letter of Recommendation for **Mr. Daksh**, who has been associated with **DigitalNomadians** as a **Website Developer** from **15th January 2025 to 15th December 2025**.

Throughout his tenure with our organization, Daksh consistently demonstrated exceptional dedication, technical ability, and a strong work ethic. He played a significant role in delivering high-quality website development projects, contributing both creatively and technically.

Key Qualities & Contributions:

- Proficient in front-end and back-end development tasks, ensuring clean and optimized code
- Strong understanding of responsive design, UI/UX principles, and performance optimization
- Ability to translate client requirements into functional and visually appealing websites
- Effective team collaboration, especially with design and SEO departments
- Daksh's professional attitude, communication skills, and reliability have made him an asset to the team.

I highly recommend Daksh for any future opportunities he chooses to pursue, whether academic or professional. I am confident he will continue to deliver outstanding results and be a valuable addition to any organization.

Should you require further information, please feel free to contact me.

Sincerely,

Priyam Goyal
